

Where students come first!

Our Chinook's Edge motto was more than evident at schools across the division during our six-day staggered start. All students are now back in class and learning together!

A banner at École Steffie Woima School in Sylvan Lake captured the sentiments of staff throughout Chinook's Edge, as students returned to school!

It's all system's go at École Olds High school.

Grade 5 teachers at Westglen Middle School in Didsbury rolled out a colourful welcome mat!

Thank you to... Tracy Carr, Grade 1 teacher at École John Wilson Elementary School in Innisfail...

... students at Hugh Sutherland School in Carstairs...

... teacher Val Frank with Grade 1 students at Bowden Grandview School, **for showing that face masks cannot hide smiles!**

We appreciate all of our staff and students for adhering to AHS safety restrictions. By physical distancing, washing our hands and wearing a mask (Grade 4 & older), we are helping to mitigate the spread and flatten the curve of COVID-19.
