Employee Remuneration

Hours of Work - Custodial Staff

For custodial staff, the hours of work required for each individual role is determined by the Director of Facility Services and communicated to employees by the Custodial Coordinator or Principal. Full-time custodial staff on the 260-day calendar have a 8-hour workday which results in 2080 hours in a given school year, including general holidays. Part-time roles and variations to the calendar noted above may be required depending on the needs of each school, as determined by the Board, the Director of Facility Services, or the Custodial Coordinator.

Time Sheets

Time sheets shall be filled out using Employee Self Service (ESS), approved by the Custodial Coordinator or designate, and then submitted to Payroll on a monthly basis. Occasionally time sheets may be requested early to facilitate processing for an earlier pay date. All hours worked must be recorded on the day they were actually worked. All absences must be marked on the timesheet, including: medical/dental appointments, leave of absences, sick days, etc.

Overtime/Banked Time

Time sheets are checked for paid and unpaid absences, and to compare the hours worked to the hours required for the month. If the hours worked and the paid absences (ie: sick leave benefits) are greater than the hours required, the additional hours are banked at 'straight time'.

Time worked over 8 hours per day or 44 hours per week is considered overtime, and banked at 1½ times the overtime hours worked as per the *Employment Standards Code*. Overtime for employees must be pre-approved by their Custodial Coordinator and must be tracked on a monthly time sheet. Employees are not to create overtime, in an attempt to bank holiday time. If the hours worked and the paid absences are less than the hours required, the shortfall will reduce the banked hours in order to maintain the regular monthly pay for the employee.

Please note: All extra hours worked, and time taken off must be pre-approved by the Custodial Coordinator. The employee and the Custodial Coordinator should review the overtime balances on a regular basis and develop a plan to reduce any excess by taking some time off, or by making up some time should the balance fall below zero. Banked time may also be paid out upon request by the employee. After the June timesheets are processed, the balance of banked time will be applied to the July and August pay, increasing, or reducing the earnings depending on the final balance. An overtime agreement will be signed by Custodial staff where applicable.

Pay Dates/Pay Period

Pay periods are monthly. Salaried employees will be paid an advance on the 15th of each pay period with the balance of the pay paid on the last banking day of the month (any adjustments to time sheets will be done the following month). Casual Custodial Staff will be paid on the 10th of the following month. If the pay date falls over the weekend, employees will be paid the Friday prior to the pay date.

Payroll Deposit

All employees shall have their pay deposited electronically to their designated bank account(s). An employee may request his/her pay to be distributed into more than one account, and/or more than one bank.

Pay Statements/T4's

Upon commencement of employment, employees will receive login information for the Board's Employee Self Service (ESS) secure website. Once logged in, the employee can review his/her personal information, rate of pay, accrued balances for overtime, etc.

Employees will also access their monthly pay statements and annual T4's from the Employee Self Services site. Once the monthly payroll has been transmitted to the bank, the employee will receive an email with a link to log-in to ESS to access/view their pay statement. A similar email will be sent when their T4's are available to print from ESS.

Grid Placement

Grid placement is determined by the Associate Superintendent - People Services, based on job classification and years of related experience. Grids can be found on the [CESD Employee Services website](#).

Increments

Eligibility for pay increments is reviewed in September and February of each year. Custodial Staff must work a minimum of 1664 hours before increments are awarded.

General Holidays/Statutory Holidays

Employees will receive time off on general holidays and general holiday pay in accordance with the *Employment Standards Code*. There are currently nine (9) general (statutory) holidays in Alberta.

New Year's Day*	Labour Day
Alberta Family Day	Thanksgiving Day
Good Friday	Remembrance Day*
Victoria Day	Christmas Day*
Canada Day*	

*Remembrance Day, Christmas Day, New Year's Day and Canada Day are paid statutory holidays even if they do not fall on a regular scheduled work day.

Other Board Holidays

Salary Support Staff will also receive time off on Easter Monday and Heritage Day.

Vacation

It is expected that Custodial Staff will take vacation during the month of August. Custodial Staff will be entitled to vacation time as outlined below. Vacation pay will be paid monthly at the following rates:

Accumulated Vacation:

- 0 years to the completion of 4 years 10 full days (80 hours)
- 5 to completion of 9 years 15 full days (120 hours)
- 10 plus years 20 full days (160 hours)

During the first 0-4 years of service, full-time employees accumulate 6.666 hours of vacation time each month. At the completion of one (1) full year of service the employee will have accumulated 80 hours of vacation time. These hours divided by 8 hours daily, translates into 10 working days of vacation.

During 5-9 years of service, full-time employees accumulate 10 hours of vacation time each month to a total of 120 hours of vacation time. These hours divided by 8 hours daily, translates into 15 working days of vacation.

After 10 years of service, full-time employees accumulate 13.333 hours of vacation time each month to a total of 160 hours of vacation time. These hours divided by 8 hours daily, translates into 20 working days of vacation.

Part-time employees will have their vacation accrual prorated according to their FTE.

During the Christmas period, 5 additional paid vacation days will be designated annually and specified by the Custodial Coordinator.

Only continuous employment (with no breaks of service) shall count toward years of service for vacation entitlement.

In the event that **employees wish to take more vacation time than they have accumulated, they must apply for leave without pay**. All requests for a leave without pay must be cleared through the Custodial Coordinator and then officially requested using the [Support Staff Extended Absence Form](#) and approved by the Associate Superintendent – People Services. Any banked time accruals will be used prior to deducting a leave without pay unless otherwise informed by the Custodial Coordinator.

The Plan is funded by member and employer contributions and by investment earnings. Salaried staff who are in non-teaching roles working thirty (30) hours per week or more and are not contributing to the Alberta Teachers' Retirement Fund (ATRF) are eligible to participate with LAPP according to the following terms and conditions:

- **Mandatory Participation:** With the exception of employees noted below, participation is mandatory for every employee in a salaried position scheduled to work thirty (30) hours per week or more.
- **Not Eligible To Participate:** Employees are not eligible to participate if they are:
 - (a) Working fewer than thirty (30) hours per week in all combined roles within the Division;
 - (b) Temporarily replacing a continuous employee who is on leave for a period up to one year, and there is no position following the leave;
 - (c) Casual employees;
 - (d) Currently in receipt of LAPP monthly pension; or
 - (e) Non-salaried, non-teaching staff.
- **One-Year Probationary Period:** New employees must complete a one-year probationary period prior to commencing the LAPP program. This one year can be made up of multiple positions and the hours worked in those roles. New employees who have previously participated in LAPP or a pension plan with a LAPP reciprocal transfer provision will have the one-year probationary period waived and will start contributing into LAPP upon commencement of their employment.
- **Purchasing Optional Service:** Employees can purchase additional service in order to increase their retirement payments or reduce their retirement date. Types of service include the probationary period, any unpaid leaves of absence, or other work for an employer who was registered with LAPP, but where contributions were not required to be paid
- **Service:** Base units are determined by employee calendars. Employees who work their full calendar will be credited with one year of service (pro rated by employee FTE).

In depth information on contributions and benefits can be found on the [LAPP website](#).

Group Voluntary Accident Insurance

Optional Accidental Death and Dismemberment benefits can be purchased for coverage up to \$500,000 through Industrial Alliance Pacific Insurance and Financial Services Inc. Coverage can be chosen for an employee only or for the employee and his/her family. The premiums are reasonable and paid by the employee through a payroll deduction. All regular employees are eligible to apply.

Registered Retirement Savings Plan (RRSP)

The Board offers participation in a Group RRSP through payroll deduction. Participation is optional but employees are encouraged to contribute to retirement savings with immediate tax advantages (income tax is reduced on each payroll rather than waiting to file your personal tax return). All regular support staff are eligible to join.

Employer Matched Contributions

Eligibility

Custodial Staff with an assignment between 25 and 29.99 hours per week are eligible for employer matched contributions to a maximum of 4% of monthly earnings. The employee can choose to remit any amount of monthly contributions. The Board will match the employee's monthly contribution to the maximums stated above. For example, an employee chooses to contribute \$150 per month. The Board will contribute \$150 or the eligible percentage, whichever is less. Employees retain all contributions (both employee and employer) into their Group RRSP when they leave the employment of Chinook's Edge School Division.
