The Local Authorities Pension Plan (LAPP) is a defined benefit pension plan that helps employees prepare for their retirement. The Plan is funded by member and employer contributions and by investment earnings. Salaried staff who are in non-teaching roles working thirty (30) hours per week or more and are not contributing to the Alberta Teachers' Retirement Fund (ATRF) are eligible to participate with LAPP according to the following terms and conditions:

- **Mandatory Participation:** With the exception of employees noted below, participation is mandatory for every employee in a salaried position scheduled to work thirty (30) hours per week or more.
- **Not Eligible To Participate:** Employees are not eligible to participate if they are:
 - (a) Working fewer than thirty (30) hours per week in all combined roles within the Division;
 - (b) Temporarily replacing a continuous employee who is on leave, and there is no position following the leave;
 - (c) Casual employees;
 - (d) Currently in receipt of LAPP monthly pension; or
 - (e) Non-salaried, non-teaching staff.
- **One-Year Probationary Period:** New employees must complete a one-year probationary period prior to commencing the LAPP program. This one year can be made up of multiple positions and the hours worked in those roles. New employees who have previously participated in LAPP or a pension plan with a LAPP reciprocal transfer provision will have the one-year probationary period waived and will start contributing into LAPP upon commencement of their employment.
- **Purchasing Optional Service:** Employees can purchase additional service in order to increase their retirement payments or reduce their retirement date. Types of service include the probationary period, any unpaid leaves of absence, or other work for an employer who was registered with LAPP, but where contributions were not required to be paid
- **Service:** Base units are determined by employee calendars. Employees who work their full calendar will be credited with one year of service (pro rated by employee FTE).

In depth information on contributions and benefits can be found on the [LAPP website](#).

Group Voluntary Accident Insurance

Optional Accidental Death and Dismemberment benefits can be purchased for coverage up to \$500,000 through Industrial Alliance Pacific Insurance and Financial Services Inc. Coverage can be chosen for an employee only or for the employee and his/her family. The premiums are reasonable and paid by the employee through a payroll deduction. All regular employees are eligible to apply.

Registered Retirement Savings Plan (RRSP)

The Board offers participation in a Group RRSP through payroll deduction. Participation is optional but employees are encouraged to contribute to retirement savings with immediate tax advantages (income tax is reduced on each payroll rather than waiting to file your personal tax return). All regular support staff are eligible to join.

Employer Matched Contributions

Eligibility

Support Staff with an assignment between 25 and 29.99 hours per week are eligible for employer matched contributions to a maximum of 4% of monthly earnings.

The employee can choose to remit any amount of monthly contributions. The Board will match the employee's monthly contribution to the maximums stated above.

For example, an employee chooses to contribute \$150 per month. The Board will contribute \$150 or the eligible percentage, whichever is less.

Employees retain all contributions (both employee and employer) into their Group RRSP when they leave the employment of Chinook's Edge School Division.

Professional Development

Professional Development is an important part of attracting and retaining employees in an organization. All Staff at Chinook's Edge are encouraged to take responsibility for their own professional development. In addition, supervisors are encouraged to include professional development as part of the performance appraisal process and to ensure that employees have the skills and abilities their positions require. This also ensures that employees remain challenged in their roles and that they are always learning.

To avoid any confusion regarding the costs and expenses that will be covered, the Superintendent or designate will review each professional development request on a case by case basis. All expenses claimed must follow the Board administrative procedure on expenses: [Administrative Procedure 5-10 / Purchasing](#)
