

Chinook's Edge Board eNews

February 25, 2021

[Inclement Weather](#) - Chinook's Edge is exploring details of its Inclement Weather procedure, following four days of unprecedented school closures due to extreme cold. Through collaboration with the Board of Trustees, Administrators, Teachers Matter and Parents Matter reps, focus will be on timing of the decision-making and the expectation around moving learning forward. Superintendent Kurt Sacher touches on how these adjustments will better support families, students and staff in this [Olds Radio clip](#). Hear the full interview: [Olds Radio](#)

[Career High transition](#) - Following the January announcement that career high schools in Chinook's Edge will come under the umbrella of traditional high schools, the Superintendency Team has spent time with each career high staff, alongside the traditional school Principal where their particular career high will be located. As well, all students and families have been contacted to begin specific planning for the transition - families have received [these details](#). Both staff and student meetings will continue throughout the spring to plan for a smooth transition of career high schools, which continue to be an important part of Chinook's Edge.

COVID-19 Update- The Board is pleased with the declining number of Chinook's Edge students in [Remote Learning](#) at the start of Semester 2, as Principal Dean Nielsen guides learning until students are ready to return to their classroom.

Internet access- The Board understands that not all families have access to adequate internet in the home. Here is [a link](#) to some tips our technology department has developed to help improve home internet functionality.

[Black History Month](#) - Olds High, as with schools throughout the division, is shining a light on the great influence Black people had - and continue to have - on Canadian heritage.
