### Schedule of Fees 2019/2020

In August 2019 the Minister of Education made the Order School Fees Regulation. As a result, there are no basic school fees for 2019/2020

The Division has been directed through Ministerial Order to

- Cease charging fees or costs for textbooks, workbooks, photocopying, printing or paper supplies.
- Only charge amounts to cover projected costs of providing for the subject matter of the charge.
- Post each school's approved fee schedule on the school's website.

The following fee schedule, which has been approved by the Board of Education, was developed by estimating the maximum potential costs.
