

Everyone Matters!

In a world that feels upsidetown at the moment, it's more important than ever to stay connected. Check in with your Wellness Champion to see what others are doing to support Staff Health & Wellness throughout Chinook's Edge.

Students at C.P. Blakely Elementary School in Sylvan Lake plastered their school doors with kindness over the weekend.

Staying connected the old fashioned way!

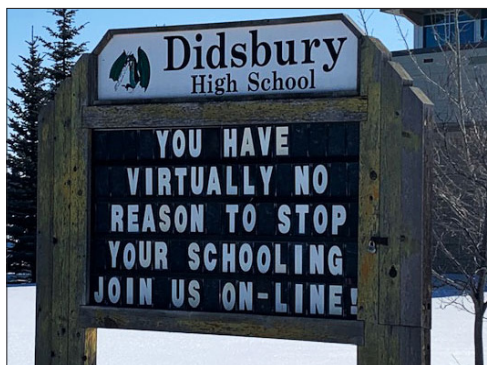

Grade 1 students from Carstairs Elementary School are posting heartfelt messages on their teacher's front door.

The provincial government invites everyone to share acts of kindness with one another and with #AlbertaCares.

Wellness break - Way back last week when social distancing could still involve up to 50 people, staff from École Deer Meadow School in Olds shared a moment to stretch.

Sign of the times - Scott Etienne won Didsbury High School's fun staff contest for most creative messaging to students.

Art Award! Mackenzie Manktelow, Grade 12 student at Hugh Sutherland School in Carstairs, received First Place in the 2020 Calgary Stampede Western Art Scholarship. "Mackenzie has been a wonderful student in the art program throughout my years of teaching her at HSS, and she produced a really stunning piece most deserving of the accolades she is receiving," said teacher Brian Petersen.

Let's all do our part!

The provincial government has gathered a number of familiar faces to encourage everyone to help prevent the spread.
