

**Parent Update**  
February 28, 2022

---

Hello everyone,

We just wanted to make sure that you are fully aware of the most recent [announcement](#) from the Alberta Government to remove all remaining school requirements.

One of the key expectations that will remain within our schools is the [COVID-19 Alberta Health Daily Checklist](#). Please ensure that if your child is sick that they stay home. Isolation remains mandatory for anyone with COVID-19 symptoms or a positive test result.

Some of our schools may continue processes that were created because of COVID-19, but ended up helping them in other important ways. For example, they may choose to continue with student drop off zones, recess zones, etc. because these processes addressed other concerns.

While the sanitizing of students' hands will no longer be required, we will continue to provide products to allow students to sanitize their hands at school if they choose to.

We are looking forward to a return to normalcy in our schools. We wish everyone a wonderful March. We will remain in touch should any new developments arise.

Yours truly,

Kurt Sacher  
Superintendent of Schools
