

Board eNews ... issued April 28, 2022

At the [April Board of Trustees Meeting](#), the Board passed a motion to hold School and Transportation Fees at the current level. A Transportation review will take place in November, to determine the impact of rising fuel and other costs.

Also at the April meeting, Trustees were proud to announce this year's ASBA [Edwin Parr Award](#) nominee for Chinook's Edge is Madeline Pereira from Innisfail High School. [Olds Radio](#) / [Red Deer Advocate](#)

The Board is enthusiastically supporting continued innovation in Chinook's Edge through the creation of a new ad hoc committee to develop a framework and processes for advancing flourishing initiatives in our schools. More information will be shared as this effort gets underway.

The Board appreciates the involvement and support from community partners for the [YES program](#) (Youth Empowerment & Support), which provides year-round programs and activities for K-8 students throughout the division.

Students and staff in our schools have felt a [renewed optimism](#) in [being together](#), and our Board is pleased when they are able to share this with [community neighbours](#). With graduation season on the horizon, plans are moving ahead for [community celebrations](#).

The Board of Trustees is proud to support annual music festivals in both [Olds & District](#) and Red Deer & District, both of which see many Chinook's Edge students participate and achieve success.
